

THE SECOND PALESTINIAN INTIFADA

A RETROSPECTIVE IN PHOTOS

In October 2000, popular protests erupted throughout Israel-Palestine. Israel's harsh military response quickly transformed the uprising into a war that redefined the nature of the conflict. Join us for an evening of photography and discussion on the tenth anniversary of the second intifada.

Jon Elmer is a photographer and journalist who has lived in and covered the West Bank and Gaza since 2003. His work has appeared in *Le Monde diplomatique*, *Al Jazeera English* and the *Journal for Palestine Studies*. He's currently based in Bethlehem. <http://jonelmer.ca>
